Dear Record,

Watch Woodstock flee from Napalm! Watch Snoopy surf and dodge the Viet Cong! But can Charlie Brown find those eggs under Marlon Brando? It's "A Charlie Brown Apocalypse Now Easter" . . . only on CBS!

-Julia Herrera,

Children's Programming Editor, CBS

Dear Editor,

Thank you for your application for our summer internship at our artificial insemination clinic. The unusually high number of applicants this year forced us to be very selective. We appreciate your interest, and hope you continue your plans to become a doctor.

-Associated Sperm Banks, Inc.

Dear Record,

A half-man/half-sprout with a seven-and-a-half foot pole through his head swam the English Channel during Lent carrying an enormous kielbasa on a torpedo roll. Believe it or Not!

-Mr. Ripley

Dear Editor,

Thank you for your application for our summer internship at Pastel Mud Art Retreats. The unusually high number of applicants this year forced us to be very selective. We appreciate your interest, and hope you continue your plans to become a kinetic sculptor.

-Associated Art Retreats, Inc.

Dear Editor,

Sometimes I feel like a nut, sometimes I don't. But what about

those in-between days?

-Robert Smith, "The Cure"  
Celebrity Sponsor for M&M Mars,  
Chocolate Products Division

Dear Record,

The photo accompanying yesterday's article, "Grounds Maintenance Keeps Campus Clean," is of the Women's Table, not Yale Philharmonia conductor Gunther Herbig. Last Wednesday's article, "Linguistics Department Keeps Campus Talking," should have stated that linguistics is the study of the structure and nature of human speech, not the study of Italian cuisine. Last Thursday's editorial, "Scrap Linguistics; Give Us Better Food" should have called for the Linguistics department's preservation, not destruction. The *Yale Daily News* sincerely regrets the errors.

-Yale Daily News

Dear Record,

When Mars aligns with the Third House of Mercury, a Pestilence of Singing Groups shall descend upon the plane of Blue; and the infestation of paper will cause great vexation.

-Nostradamus

Dear Record,

Left, Left, Cha-Cha-Cha. Got it, moron?

-Yale Ballroom Dancing Club

Dear Editor,

Thank you for your application for our summer internship at Mother Clucker Chicken. The unusually high number of applicants this year forced us to be very selective. We appreciate your interest, and hope you continue your plans to become a deep fat fryer.

-Associated Greasy Foods, Inc.

Dear Editor,

In response to pressure from animal humane societies, we have decided to serve the rest of the chicken as well.

"...And then the vicious vegan turned his head and stared right at me."

THE END!

I WASTED SO MUCH MONEY...  
THOSE SHEEPS, THE FENCES...  
HOW MANY LIVES COULD THEY HAVE  
BOUGHT? WHAT USE ARE  
THEY TO ME NOW? I'VE  
BEEN SO SELFISH!

SNIFF!

0 DEPRESSED,  
DLER... ATLEAST  
G OUT ALIVE.

DON'T MOVE!  
IT CAN'T SEE YOU  
IF YOU DON'T MOVE.  
HERE, LET ME DEAL  
WITH THIS...

HITLER  
PADDOCK

HEH, HEH!

IF ONLY YOU'D CONSULTED HISTORIANS  
-- NONE OF THIS --

CNAB

SCHINDLER!!  
THE NAZIS  
IGH THE GATES?
