¡ Bienvenidos a Baja's de New Haven!

>Welcome to Baja's of New Haven

"One of our very favorite Mexican restaurants...prepare to be swept away by the freshest seafood, biggest portions and cheapest prices you're likely to find in our neck of the woods."
— Connecticut Magazine

★★★ "The hands-down winner of the salsa crown is Baja's Restaurant, perhaps the state's first truly authentic taqueria."
— Greg Morag, The Hartford Courant / Northeast Magazine

"In Connecticut, Mexican choices are sorely limited. That's why I was so happy when Baja's opened up, bringing me spicy meats in soft tortillas, secret salsas, and mariachi music."
— Mimi Coucher, New Haven Advocate
